WEHC 2012 Call for Dissertations

FEBRUARY 2011

The International Economic History Association (IEHA) will hold its sixteenth World Economic History Congress in Stellenbosch, South Africa, from 9 to 13 July 2012. The congress includes a competition for **recently completed doctoral theses** in economic history or related fields and young scholars are invited to present their doctoral research.

Three dissertation prizes will be offered: one for dissertations covering the period before 1800, one for the period 1800–1914, and one for the period 1914–the present. Per period, three to four candidates will be selected by a jury consisting of members of the Executive Committee of the IEHA to present their doctoral research in Stellenbosch in 2012.

To be eligible for participation in the dissertation competition candidates must have been awarded their doctorate or equivalent after 1 January 2008 and not later than 1 September 2011.

Those interested in participating in the dissertation competition should submit via email a 10 to 20 page summary of their dissertation. *Please do not send the thesis itself.* The deadline for submissions is 1 September 2011.
